## Level 7 Diploma & Strategic Health and Safety Leadership and Management

### Course Overview

The "Level 7 Diploma in Strategic Health and Safety Leadership and Management" is a qualification intended for individuals who are seeking advanced knowledge and skills in leading and managing health and safety initiatives within an organizational context. This diploma, typically at a postgraduate level, focuses on strategic aspects of health and safety, emphasizing leadership and management principles. It is designed for professionals who hold key roles in shaping and implementing strategic health and safety policies to ensure a safe and compliant working environment within an organization.

### Learning Outcomes

- Strategic Management: Formulate and apply strategic health and safety plans.
- Leadership Skills: Develop advanced leadership for health and safety management.
- Risk Management: Identify, assess, and manage risks effectively.
- Legislation and Compliance: Ensure organizational adherence to health and safety legislation.
- Communication Skills: Effectively convey health and safety information to diverse audiences.
- Organizational Culture: Shape a safety-conscious culture within the organization.
- Continuous Improvement: Emphasize ongoing assessment and refinement of health and safety strategies.
- Project Management: Acquire skills for planning and executing health and safety projects.

### Units – 5 – Mandatory

- Risk-based safety systems management.
- Safety culture, sustainability and the global effect on performance.
- Digital technologies and incident investigation.
- Development as a strategic manager.
- Establish business risk management processes.

### Entry Criteria

Since there are no formal entry requirements for this qualification, Centres will carry out an Initial assessment of candidate skills and knowledge to identify any gaps and help plan the Assessment. This qualification is approved for candidates aged 19+

### Progression Routes

- Level 8 Diploma.
- Employment in an associated profession.
- Further studies at a university.
