About TMC

TMC is one of the leading Vocational Training institutes based in UAE, KSA and Pakistan, approved and accredited by KHDA, government of Dubai and Ofqual UK government regulated awarding body Qualifi. A front-runner in hallmark higher education services provider, TMC Management & Training Institute aims at transforming students into global leaders. Providing a global vision and relevance for the local community and market; while demonstrating a passion for executive learning, is what makes TMC a unique learning institute. Based in one of the most cosmopolitan countries, Dubai, the United Arab Emirates. TMC was established in the year 2016. We have a diverse student community of over 4000 students from 85 different nationalities, who have committed to the intellectual journey and taken leadership roles in global enterprises. TMC is an approved Qualifi center that provides a wide range of short-term UK qualifications. TMC has partnered with leading universities, Business Schools and education awarding bodies worldwide, offering a wide range of programs in the Middle East.

About Qualifi

Qualifi is a leading 21st-century Awarding Organisation founded to meet the developing education and training needs of learners and employers from the UK and around the globe serving the needs of in excess of 150,000 learners and employers in the UK and worldwide every year. As a recognized UK awarding organization, regulated by Ofqual, Qualifi is able to give assurances to learners of consistent, rigorous, quality standards and valid, valued learning. Whether you're a learner or an employer, competition today is intense. Organizations around the globe are seeking knowledgeable, highly skilled and productive employees. Qualifi qualifications provide both learners and employers the recognition of competency that can build employee careers and global enterprises. Qualifi qualifications combine UK standards with relevant international content, so learners can achieve their full potential in today's global economy.

QUALIFI

LEVEL 5 DIPLOMA IN EARLY LEARNING AND CHILDCARE

Course Overview

Approved and accredited by Ministry of Education UAE under the framework of, Technical and Vocational Education and Training (TVET)/ KHDA, and also regulated by ofqual UK government. The purpose of the Diploma is to provide recognition for those who wish to develop their own abilities in teaching and assessing learners competently in a regulated environment. It is envisaged that all Qualifi centres will provide learners to further their knowledge of assessing to provide consistent, standardised assessment reports and appropriate feedback to learners.

The qualification will enable Learners to become independent, self-directed learners with tools and motivation to continue learning, developing and reflecting on practice throughout their careers.

Learners who successfully complete this qualification will take an analytical and practical approach to all aspects of planning, delivering and assessing inclusive teaching and learning. Whilst doing this, candidates will embed theories and principles in Early learning and Childcare and demonstrate them in their practice.

Learning Outcomes

- Theories, principles and models in Early learning and Childcare, such as in relation to learning, communication, assessment, curriculum development and evaluation, and how to apply them to own practice.
- Teaching, learning and assessment techniques in Early learning and Childcare, such as roles, responsibilities and relationships, using initial and diagnostic assessment to agree individual learning goals with learners, planning and delivering inclusive teaching, creating and maintaining a safe, inclusive teaching and learning environment and assessing learning.
- An understanding of professionalism and the influence of professional values in Early learning and Childcare, the policy context of Early learning and Childcare, the impact of accountability to stakeholders and external bodies on Early learning and Childcare, the organisational context of Early learning and Childcare and how to contribute to the quality improvement and quality assurance arrangements of an organisation
