QUALIFI

LEVEL 3 CERTIFICATE IN ASSESSING VOCATIONAL ACHIEVEMENT

Course Overview

This qualification has been created to develop further the competencies and expertise of professionals who assess both occupational competence in the work environment and vocational skills, knowledge and understanding in environments other than the workplace (for example a workshop, classroom or other training environment)

Units

- Understanding the Principles and Practices of Assessment
- Assessing Occupational Competence in the Work Environment
- Assessing Vocational Skills, Knowledge and Understanding

Entry Criteria

This qualification is designed for learners aged 19 and above. There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they have already achieved a Level 2 qualification.

Entry to the qualification will be through centre interview and learners will be assessed on an individual basis.
