Includes registration, assessment and qualification certificate fees.

IOSH membership is not included. VAT is additional.

Weekend live online | Recorded | Blended, including classroom

Enrol now. Start after admission, with tutor support throughout your studies.

WHAT YOU WILL STUDY

Three units. Applied leadership skills.

All three units are mandatory. The curriculum connects advanced OSH management, organisational decisions and your ability to lead change.

01 Advanced occupational safety and health (OSH) management principles in organisations

Evaluate legal frameworks, risk management, incident management and approaches to improving OSH performance.

13 credits | 60 guided hours

02 Occupational safety and health (OSH) integration within an organisation

Connect OSH to organisational strategy, business priorities, sustainability and the factors that shape decisions.

13 credits | 50 guided hours

03 Leading and influencing in occupational safety and health (OSH)

Develop your approach to influencing people, leading change and reviewing your own professional capability.

12 credits | 45 guided hours

How many assignments?

Three IOSH-set summative assignments. No written examinations.

Technical Evaluation

Written report plus a recorded presentation, with slides and notes.

OSH Strategic Proposal

Written report and presentation, followed by assessor questions and answers.

Self-reflection

Written report reviewing your leadership capability and development needs.

TMC also provides 15 formative tasks with tutor feedback to prepare you for the final assessments.

A STRUCTURED ROUTE FOR WORKING PROFESSIONALS

Flexible study. Clear expectations.

Live online

Tutor-led sessions held over the weekend.

Recorded

Study through recordings at times that suit your routine.

Blended

Combine online learning with classroom participation.

TMC provides **24 guided sessions**, learning resources and tutor support. Exact weekend times and classroom arrangements are shared by admissions.

6-8 months at TMC

Enrolment is open throughout the year. Completion depends on your progress, assessment requirements and the applicable submission schedule.

380 hours total qualification time: 155 guided hours plus 225 hours of independent study, preparation and assessment. This workload is separate from calendar duration.

Entry and assessment context

No formal qualification is mandatory. Relevant OSH learning or experience is strongly recommended. TMC reviews suitability before enrolment.

Use a current or familiar organisation where you can access the information needed for your assessments.

Teaching and assessment are in English. Where applicable, IOSH requires English comprehension equivalent to IELTS 7.0.

Membership and recognition

IOSH membership is required before starting and is paid separately. It is not part of TMC's AED 4,800 + VAT course fee.

The diploma meets the academic requirement for **CertIOSH**. Experience, CPD and IOSH's membership process also apply; membership is not automatic.

CHOOSING YOUR LEVEL 6 ROUTE

IOSH, NVQ or OTHM? Choose how you learn.

IOSH awards its own diploma. Its focused programme combines taught learning with a technical evaluation, a business proposal and reflection on your leadership.

	IOSH Level 6 Diploma	ProQual Level 6 NVQ Diploma	OTHM Level 6 Diploma
Assessment focus	Applied reports, presentations and reflection.	Evidence of competence from your workplace practice.	Assignments and evidence against unit criteria.
Structure	3 units 38 credits 380 hours TQT	10 mandatory units 1,064 hours TQT	7 units 60 credits 600 hours TQT
Often suits	Practitioners seeking structured development in OSH leadership and business integration.	Practitioners already carrying out OSH responsibilities who can demonstrate workplace competence.	Learners seeking an assignment-based programme across a broader range of OSH subjects.

All are Level 6 qualifications; their size and assessment methods differ. Level 6 does not make a diploma a full bachelor's degree. NVQ structures vary by awarding organisation.
